Outstanding Citizens Get Awards Saturday

Three Mokena residents will be honored by the Chamber of Commerce Saturday night, Jan. 23.

The third annual Outstanding Citizens Award banquet is to be held that date at Camp Manitouqua, on Sauk Trail east of Frankfort. Serving is scheduled to begin at 7 o'clock.

Mayor Charles Swanberg, chairman of the affair, will also serve as master of ceremonies. Everett Cooper, president of the Mokena State bank, will present the awards and A. A. Wicklein, Will county farm advisor, is to be the speaker.

The three selected this year as the outstanding citizens of the year are:

Mrs. Florence Pitman, writer and author of history of Mokena.

Father Cecil Koop, O.F.M., pastor of St. Mary church at Mokena and St. Anthony parish of Lincoln Estates.

Robert O. Geuther, a former president of the Mokena grade school board and active in the affairs of Immanuel Lutheran church.

More than 200 tickets have been sold, Mayor Swanberg reported, and there is still opportunity to get them. Tickets are \$4 and may be obtained from any member of the Chamber of Commerce, the Chamber office at 11009 Front st., or at the Mokena pharmacy. Roast beef is to be served.

Organ music by Wayne Swanberg, a pre-medical student at Loyola university, will be played during the dinner.

R.E. Rauch, 23, Orland, Car Crash Victim, Dies

PFC Richard E. Rauch, 23, of Orland Park, was fatally injured in an automobile accident near Fort Sill, Okla., where he is stationed. The accident occurred Sunday, Jan. 17, and he died Monday, Jan. 18, in the Air Force Base hospital at the Albus, Okla. base.

There were three others in the car and two of them are reported to be in a critical condition and one of them as serious.

Orville Schmaedeke, who has charge of funeral arrangements, said that no details of the accident had been given the family as of Tuesday and it was not known here if only the one vehicle was involved or there were others.

Richard Rauch, who had a large number of relatives in the area, was a graduate of Carl Sandburg high school and prior to his entry in the service Dec. 9, 1963, he was employed in construction work as a machine operator.

Besides his parents, Mr. and Mrs. Walter Rauch, Sr., he is survived by five brothers, Ralph Clarence, Lawrence, Walter, Jr., and Marvin and four sisters, Mrs. Verna Schult, Mrs. Erna Engelhardt, Mrs. Edna DeLair, and Mrs. Irene DeLonde.

Arrangements for the fun-

eral are incomplete but the body will be brought to the Schmaedeke funeral home at 107th st. and Harlem ave., Worth, and services will be held at Trinity Lutheran church, 159th and Oak Park ave., Tinley Park, with interment in the parish cemetery.

Will Open 2nd Class For Retarded At Mokena Feb. 1

Beginning Feb. 1, a second class for educable mentally handicapped youngsters, will be opened in Mokena for the use of all the underlying districts in the Lincoln - Way high school area.

These grade school districts got together three years ago to support such a program. The class was located in the Manhattan grade school at the beginning but after the first year the room was needed and the program was transferred to Mokena.

Mokena is the only system in the area with a spare room at this time to accommodate the second class, at least for the balance of the current school year, it was explained.

Mokena School District Must Sell Tax Warrants

The Mokena grade school board is to sell \$50,000 worth of tax anticipation warrants to the Mokena State bank next Monday, Jan. 25. They will carry 4 1/2 % interest and will be paid out of the taxes collected this spring.

The money, it was explained, will be used to meet current bills and payrolls, and should enable the district to operate until June 30, or until the 1964 tax money becomes available.

The tax warrants are a first lien on tax money and must be paid off as soon as the money can be had.

The district does not like to borrow, a board spokesman said, and added that the board believes this is the first time in the history of the school that such a course has been necessary. The district has borrowed money, thru bond issues, to build schools, the spokesman said, but never to meet current obligations.

N. Lenox Girl Will Teach In Mokena School

Miss Eleanor Pester, of New Lenox, who completes her studies at Olivet Nazarene college this month and will receive her degree, has been hired by the Mokena school board to teach first grade at Carpenter Street school for the remainder of the year.

Miss Pester is replacing Mrs. Paulette McGuire, who asked for leave.

Miss Pester is a graduate of Lincoln-Way high school and has been an honor student at Olivet. At Lincoln-Way she was the first recipient of the Future Teachers of America scholarship. She recently completed her student teaching at Bradley, Ill.

Mokena Bank Stockholders Have Meeting

Stockholders of the Mokena State bank, holding their annual meeting, re-elected the board of directors which in turn re-elected the staff of officers serving the bank.

Named to the board were Rose McMahan, Roy P. Kropp, Owen C. Maue, Everett J. Cooper and Lydia M. Baudry.

The officers name are: Mrs. McMahan, chairman of the board; Everett J. Cooper, president; Kropp, vice president; Miss Baudry, cashier; Maue, secretary; Stanley E. Baudry, and James E. Cooper, assistant cashiers. The only new officer is James Cooper.

At a meeting in December the directors declared a 6% dividend.

The board is anticipating

The reason for the present need to borrow, the spokesman said, is due to the high percentage of uncollected and protested taxes and also because of the rapid increase in enrollment the past two years. The increase in revenue from local taxes and state aid has not kept pace with the increase in the school population, he declared.

The board is anticipating

Air-Paks Aid Firemen In Rescue Of Gas Victims

Overcome by fumes from a leaking chlorine tank, two workers at the Hunter Brass Foundry, Mokena, were revived by a rescue squad from the Mokena volunteer fire department.

Then protected by their new Scott Air-Paks, which were delivered only last week, two firemen carried the leaking tank outside and well to the rear of the foundry property.

Capt. Kenneth Warning said that without the Air-Paks firemen would not have been able to get the tank out. Scott Air-Paks protect wearers from smoke and

R. J. Nixon Funeral

Funeral services for Robert J. Nixon, Sr., 72, who died suddenly last Saturday night at his home, 19536 Division st., Mokena, were conducted Tuesday.

The services were held in the Krueger funeral home at Blue Island with the Rev. Theodore C. Wimpler, pastor of St. John's United Church of Christ, officiating. Interment was in Beverly cemetery, Chicago.

Mr. Nixon, who was a retired railroadman, would have been 73 years old on Jan. 25. He was born in 1892 at Chicago. He was a locomotive engineer on the Rock Island railroad and retired three years ago after 53 years of service with the road. It was after his retirement that Mr. and Mrs. Nixon moved to Mokena. He was a member of the Brotherhood of Railway Engineers.

Besides his wife, Wilhelmina, Mr. Nixon is survived by three sons, Walter, of Mariette Park; Robert, Jr., of South Holland, and John, of Roseland; three daughters, Mrs. Mary Pescette, Roseland; Mrs. Joan Spoolstra, of Blue Island; Mrs. Jane Carfello, of Homewood, and nine grandchildren.

an increase in state aid but other money will be needed too, it was said, and the members are considering a proposed increase in the educational fund tax rate for the district.

The board hopes that the people in Dist. 159 will write their legislators and the governor and encourage them to increase state aid and initiate revision of the revenue article to provide more means for education.

noxious fumes.

The two workmen, Edward Sztot, 3401 W. 112th place, Chicago and Henry Bennett, 212 S. Chicago st., Joliet, were removed to Silver Cross hospital, Joliet in the Gornick ambulance. After examination and observation they later were released.

The two men were working near the chlorine tank when its valve let go and the choking gas was loosed. Chlorine gas, which was used by the Germans against the Canadians in World War I is a heavy gas and can asphyxiate by filling the lungs.

The two men rescued from the foundry were given oxygen by firemen before they were transported to the hospital. The incident occurred in the late morning.

The Scott Air-Paks acquired by the department last week were obtained largely thru a \$500 donation by the Ladies Auxiliary of the Department. The Orland Park volunteer fire department also has purchased four of these Air-Paks.

Hike Water Rates 65% On 1st 4,000 Gallons

MRS. EDWARD HOVI
Telephone: 479-5740

When the residents of Arbury Hills received their December water and sewer bills thru the mail, they were informed that an increase in the rates had been approved by the Illinois commerce commission and were presently in effect. The increase is approximately 65% on the first 4,000 gallons.

After the initial shock had worn off, much displeasure was in evidence. The water quality has gone steadily downhill for the past two years until now, when the number of home softeners are beginning to outnumber the homes without softeners, and the number of home softeners is increasing daily.

The water rates previously in effect were: 1st 4,000 gals. \$.85 per thousand; Next 4,000 gals. \$.55 per thousand; Over 8,000 gals. \$.45 per thousand.

The sewer rates were \$1 minimum sewer for first 4,000 gallons, and a flat \$2 for all over 4,000 gallons. There was a 10 percent discount if paid within ten days.

The new water and sewer rates are as follows: 1st 4,000 gals. \$1.30 per thousand; Next 4,000 gals. \$1.05 per thousand; Next 12,000 gals. \$.90 per thousand; Next 20,000 gals. \$.75 per thousand; Over 40,000 gals. \$.50 per thousand.

The new sewer rate is a flat \$4.75 regardless of the amount of usage. There will be a 5 per cent discount if the bill is paid in 15 days.

Mr. Holquist, the attorney retained by the Arbury Hills Civic Association last spring to check into the matter, is to attend the coming meeting of the Civic Association next Tuesday evening, Jan. 26, at 8 p.m. at the school.

He will discuss the possibilities open to the residents in conjunction with the water and sewer rates.

This meeting is also the election meeting of the Civic Association. It is necessary to hold the election of officers even if the organization does become dormant. It is necessary to have the incorporation papers re-reg-

istered with Springfield each year in order that the organization can maintain its charter. There must be the signature of the officers for the coming year on the re-registration papers. It is, therefore, necessary that officers be elected even if the organization does become dormant.

An election cannot be held if there is not a quorum present, a quorum being 14 paid-up members. Since there are over 100 paid-up members, this should pose no problem, however, it seems as though one night every two months is too demanding a schedule for people to attend.

Your attendance is earnestly requested at the meeting in order that the hard work of the past four years by the few dedicated residents will not go down the drain.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book

change hands from Mrs. Tom Tanis, who had been secretary for January, to Mrs. Edward Blecha, who will be secretary for the month of February. The book will change hands next Wednesday, Jan. 27.

Any member needing a baby sitter after this date should contact Mrs. Blecha at 479-5607 at least twenty-four hours in advance of the date needed. In addition any mother in Arbury Hills who would be interested in joining the group, also contact Mrs. Blecha at the above number.

The Summit Hill Parent-Teacher Group held their January meeting at the school last Thursday evening, Jan. 14. A short business meeting at which the forthcoming Talent Show was discussed was followed by an address given by the athletic coach at Lincoln-Way High School, Mrs. Robert Allen.

This is the second notice for the Talent Show. The first call out is for this afternoon, Jan. 21 at 3:30 p.m. in the school gym. This will be followed by three more rehearsals Jan. 28, Feb. 4, and Feb. 18. All rehearsals will begin at 3:30 p.m.

Only a limited number of acts will be presented in the show to avoid running too long. If you reside within the school district and would be interested in contributing your talents to the effort, please contact Mrs. Al Behnke at 479-5184 or attend the first call out this afternoon.

The Arbury Hills Boys Baseball League held their regular monthly meeting at the school on Tuesday evening, Jan. 12. It was decided that there would be three awards given out this year for the parade for excellence, first, second, and third.

The same band will play for the third annual benefit dance at the VFW Hall in Mokena on Feb. 20. The Ronnie Lee Trio was so well received by the attending group last year that they have been asked to return again this

F.D. Sets Card Party Dates Dance

May 15 and May 22 are two red letter dates on the calendar of the Mokena volunteer fire department and the members are hopeful that all the citizens of the community will mark them too.

These two dates are important to the department because they have been set aside for the annual pinocle tournament and dance, the two prime fund raising events of the year for the firemen.

Proceeds from these affairs give the department money for supplies and equipment for better protection of property. The department is now operated out of a fire protection district but the money raised thru taxation is not yet sufficient to take care of needs and additional aid is required.

Ted Bueschel and Kenneth Bochmann are in charge of arrangements for the pinocle tournament. The pinocle is scheduled for May 15 and the dance for May 22, at the Veterans of Foreign Wars hall on Wolf road.

Fred Rauch, Jr., has been named chairman of the dance committee, with Stanley Williams and Roy Koerner assisting.

year.

Dancing will begin at 9 p.m. and run until who knows when. The tickets are now on sale by the members of the baseball league at \$1.50 per person. The proceeds from the dance will be used to purchase equipment for the coming baseball season. Tickets will be sold from door to door, but don't feel neglected if you are inadvertently missed. Your presence is definitely requested.

The silk screening posters for the dance are again being done by Dan Markowski, who took out time from his busy Boy Scout schedule to lend a hand.

There will be a combined meeting of the men's organization of the baseball league and the women's auxiliary at the school on next Wednesday evening, Jan. 27, at 8:00 p.m.

A nominating committee will be formed that night to draw up a slate of officers for both groups, for the coming elections.

The parents of the boys who will be coming out for the first time for the baseball league, are asked to come out for this meeting and help with the behind the scenes work so necessary to the smooth working of any organization.

ers, USN, son of Mr. and Mrs. Emmet J. Rogers of 9660 W. 191st st., has returned to Newport, R.I., after completing an 18-day Caribbean cruise aboard the fleet oiler USS Caloosahatches.

While on the cruise the Caloosahatches participated in the refueling of the aircraft carriers USS Saratoga and Intrepid in addition to providing fuel to several destroyers.

When operating, the ship's mission is to provide petroleum products to units of the fleet enabling them to remain on patrol independent of permanent landbases.

The Mokena Republican Womens Club will hold their regular monthly meeting at LaPetite cafe on Front st., Thursday, Jan. 21 at 8 p.m. There will be a discussion on a topic pertinent to political aspects.

Plans will be made for a Valentine party.

There will be entertainment and refreshments will be served by Mesdames Bern Moriarty, Mildred McMillan and Lucille Ricketts.

The Mokena Volunteer fire department held its meeting Wednesday, Jan. 13. Chief Robert Rust reported that there were 7 fire calls last month. One false alarm, 1 house fire, 2 overheated furnaces, one hot water heater fire at a gas station and 2 inhalator calls.

The fire department had 111 calls in 1964, 40 grass fires, 21 house fires, 13 assorted fires, 20 miscellaneous calls, 2 false alarms and 15 inhalator calls. In 1963 there were 91 fire calls.

There will be a general work night Jan. 28 for miscellaneous maintenance and repairs. All firemen are requested to turn out.

Mr. Ennis, Superintendent of schools, congratulated the firemen for their help at all the school activities over the holidays. A fireman or two are always at attendance at any large occasion or ball games at the grade school.

Wins Contest

Despite the snow, the cold and a wind that was blowing half a gale, the annual Will county oratorical contest sponsored by the county unit of the American Legion, was held as scheduled last Friday night in the Chaney school gymnasium at Crest Hill.

Kenneth Oetter, of Bobzin-Swinford post, American Legion, of Frankfort, was chairman of the contest this year and in charge of the program.

The winner was a young man who won the competition last year, James Pate, 18, a senior at Lockport West high school and the son of Warden Frank Pate of the Illinois penitentiary.

Each contestant was to give a prepared oration on some phase of the Constitution of the United States and later followed it up with an extemporaneous speech. This also was on the Constitution but the contestants were not assigned a topic until just before they went before the audience.

Because of the weather only a few contestants were on hand, none of them from the Lincoln-Way or neighboring high school areas.

Following the oratory the women's auxiliary served substantial refreshments.

FIREMEN NEEDED
More firemen are needed for day duty in Mokena, according to Robert Rust, chief of the volunteer department. Peotone Field Service Chapter Seeks Funds

MRS. KATHARINE HEISNER Telephone: 469-5187

A pancake supper, sponsored by the Peotone Chapter American Field Service, was served Wednesday evening in the Peotone high school to raise funds for a high school student to be sent abroad this year.

The foreign exchange student this year, sponsored by the Peotone high school, is Renne DeWaard of Holland, who is making his home in Green Garden with the Connor Shaw family.

The senior fellowship of St. John's United Church of Christ of North Peotone will hold its meeting Friday, Jan. 22 at 8 p.m.

Everett Heatherwick will show colored slides of eight countries in Europe, which he and his wife visited while taking a IAA trade mission trip which lasted three weeks.

Renee Ullrich, daughter of Mr. and Mrs. Roger Ullrich, was the honored little miss when relatives were entertained at her parents home Saturday evening, Jan. 9, in honor of her fifth birthday.

After a social evening, homemade ice cream and birthday cake was served to the guests.

Mrs. Everett Heatherwick will entertain the Family Life Circle of the Green Garden Methodist church at her home Thursday, Jan. 28 at 8 p.m.

Miss Esther Bettenhausen will be in charge of the discussion and Mrs. Norman Gill in charge of devotions. Lunch will be served by

the hostess.

The WSCS of the Green Garden Methodist church held their regular monthly meeting last Wednesday afternoon at the church. There were 24 members and 3 guests in attendance.

Dessert-coffee was served by hostesses Mrs. Earl Bettenhausen, Mrs. Richard Borms and Mrs. Harold Ullrich.

Mrs. Clara Ullrich, a member, was given special recognition. She celebrated her birthday on Saturday, Jan. 16. She was presented

a yellow mum corsage by her family and a large decorated birthday cake, which was served with the other refreshments.

Frankfort Legion Aux. Has 2 Events Set For February

Announcement of two coming events was made at the regular meeting of the Woman's Auxiliary unit of Bobzin-Swinford post, No. 1098, held last Thursday in the Frankfort grade school with Mrs. Kenneth Oetter presiding.

The mid-winter meeting of the 11th district is scheduled for Feb. 6 at Elmhurst, with registration beginning at 12:30. The meeting is to open at 1:30, according to a communication from Mrs. Russell Bieritz, district director.

A meeting of the county council of the Legion Auxiliary is to be held Feb. 9 in Buffalo post hall, Joliet. Mrs. Oetter stated. Luncheon will be served at 12:30.

The Frankfort Auxiliary meeting last week began with a prayer by the chaplain, Mrs. Lloyd Luhring, followed by the pledge to the flag and repetition of the American Legion Preamble.

A letter from the Illinois department president, Gwen Boyd, stressed the part the Auxiliary has been taking

in community and hospital work to aid and comfort distressed persons and disabled veterans.

Various committee chairmen gave reports -- Mrs. Daniel Hecht on the Americanism essay contest ("Why Should Americans Vote?" is the topic this year); Mrs. Charles McManimen, treasurer stated only a few more had to pay dues to make the membership 100 per cent. Deadline for the membership drive is Jan. 31. The Juniors, it was announced by their chairman,

LEWIS COLLEGE

of ARTS and SCIENCES for MEN
LOCKPORT, ILLINOIS

Conducted by Brothers of The Christians
Schools (The Christian Brothers)

A fully accredited Catholic Men's College of Arts and Sciences, directed by the Brothers of The Christian Schools (The Christian Brothers) and dedicated to serving the Chicago - Lockport - Joliet community. The spacious campus (640 Acres) is located on Route 66A, 35 miles south west of Chicago (5 miles north of Joliet).

The college confers the degrees of Bachelor of Arts, and Bachelor of Science and offers majors in: accounting, biology, chemistry, economics, English, general business, history, marketing, mathematics, philosophy, political science, and psychology. Also pre-professional training is available in medicine, dentistry, law, engineering, and social science.

The 1964-65 enrollment of 925 students will utilize three new buildings dedicated June 14th; an academic administration with modern science facilities including a Honeywell 200 computer, a gymnasium, and a 252-man dormitory.

The Lewis Technical Institute, also directed by the Christian Brothers and situated on the campus, offers aviation maintenance, a airframe mechanics, power plant mechanics, and aviation operation -- each is a separate program.

St. Procopius College Meets The Challenge

St. Procopius College in Lisle, now in its 78th year, is a four-year liberal arts college for men conducted by the Benedictine Fathers.

The college offers majors in biology, economics, sociology, political science, English, classics, mathematics, music education, philosophy, physics and chemistry. Other courses include preparations for business, divinity, pre-engineering, pre-medical, pre-dental, pre-law, and teacher training.

During the past five years, enrollment has risen from 342 to 758 daytime students with 119 currently enrolled in evening credit courses.

Summer credit courses now include a comprehensive curriculum of 48 courses, with last summer's enrollment totaling more than 350 students. A junior college program has been inaugurated which enables part-time students to complete their freshman and sophomore years by a combination of summer sessions and evening classes during the regular academic year.

Despite its limited enrollment, St. Procopius College, where more than half of the students are science majors, ranks in the top bracket of physics and chemistry majors in Illinois. Various grants have been received to assist in scientific research, enabling highly

selected science majors to work alongside established scientists in research projects. More than 90% of St. Procopius science graduates go on to earn their doctorates.

Many now prominent doctors and dentists throughout the country received their pre-medical training at St. Procopius.

A new evening program, known as "Institute for Management" is scheduled to begin in March. This will be a four-year course of study aimed at improving the management skills of middle-managers in business and industry. It will be offered on a trimester basis, covering twelve different subject areas. Outstanding professors are being recruited from other colleges and universities, as well as from industry and the faculty of St. Procopius College. A certificate will be awarded to those who successfully complete the four-year course of study.

The new, modern library features a number of rooms which extend its services to the community. These include an audiovisual auditorium with a seating capacity of 100, a microfilm room, a language laboratory, a Slav Culture Center, seminar rooms, as well as a treasure room which shelters rare manuscripts, works of art, and one of the largest collections of Lin-

colniana in Illinois, containing over 6,000 items.

With adequate facilities readily available in quiet, attractive, comfortable surroundings, the student is inspired to greater independent study and creative thinking - to search out the truth. Through the selfdiscipline of this independent study, he finds the dynamic quality of knowledge and its endless possibilities in the practical world around him.

Rather unusual for a small college is the observatory, developed to round out the rapidly expanding science program at the college. The telescope is believed to be one of the largest instruments of its kind with a focal length of 124 inches and weighing over 3/4 ton.

With 75 faculty members, 34 of whom have doctorates, a student-teacher ratio of 10-1 is maintained.

St. Procopius College is accredited by the North Central Association of Colleges and Secondary Schools and the Illinois State Depart-

ment of Public Instruction and is a member of various educational organizations.

Tuition runs \$390 per semester; room and board, \$385. 132 scholarships are available to eligible students from \$200 to full tuition.

Crane Campus Has Record Enrollment

Registration figures for the Winter trimester at the Crane Campus of Chicago Teachers College, 2240 W. Van Buren, indicate that over 1400 students will be enrolled in the day and evening programs. According to Dr. David Heller, Dean in charge, there are 309 students registered in the day program and 1091 in the evening program, with additional students yet to be enrolled in some evening classes. Since opening in 1957 with approximately 150 students the enrollment at Crane Campus has continued to rise and hundreds of Crane's graduates are now teaching in the Chicago Public Schools and elsewhere in Illinois.

The program at Crane is specifically designed for students who have satisfactorily completed 60 semester hours of college work, and offerings include day, extended day, and evening classes at the graduate and undergraduate levels. Many of Crane's students are in-service teachers preparing themselves for quality service and advancement in the public schools. Other students include those who are administrators or prospective educators desiring to enter the teaching profession after they have earned the Bachelor's degree. The program at Crane is free to Illinois residents and new terms begin in the first week of September, January, May and July.

ARCHITECT'S RENDERING of the new women's residence hall planned for the North Central College campus. The building, to be opened in September, is a three-story, concrete, steel and glass structure which will occupy a location at the corner of Jefferson and Brainard streets in Naperville. It will be connected to the Geiger Men's Residence Hall by means of a central dining unit and an enclosed walkway.

North Central

A Long Tradition Of Academic Excellence

North Central College is a four-year, co-educational, privately endowed, liberal arts school in neighboring Naperville. Founded in 1861, the college has maintained a long tradition of academic excellence in the environment of the small college campus. It is accredited by the North Central Association of Colleges and Secondary Schools and is a member of the National Association

tion of Schools of Music. Tuition, fees, room and board total \$2,000 for the academic year beginning in September. Total for non-resident students is \$1,200.

The college offers majors in 22 departments leading to the degrees of Bachelor of Arts, Bachelor of Music and Bachelor of Music Education.

Students are selected on

the basis of intellectual ability, academic achievement and desirable personal qualities. They must also submit satisfactory scores on the Scholastic Aptitude Test for the College Entrance Examination Board.

An opportunity for special directed study, independent study or travel and study is provided by the unique Mid-Winter Study and Research Term during the month of January. Selected students are given the opportunity to take part in this program in a non-graded situation.

The college also provides an extensive program of athletics and a wide variety of extra-curricular activities. The Special Events Series brings out-

standing entertainers and cultural programs to the campus. The Student Activities program also transports students to Chicago to attend performances and events of many kinds as a regular part of their regular education.

Evening Division and Summer School programs are also available.

Registration for the Evening Division classes of the spring semester will be held Thursday, January 28, 7-9 p.m. in the Student Union on the campus. Courses will be offered in 15 of the departments. Catalogs are available upon request. They may be obtained by writing the Admissions Office at the college or telephoning Elmhurst 5-5500, extension 40.

Registration For DGHS

Adult Evening School Set

Interested adults in the West Suburban Area are reminded that Downers Grove Adult Evening School will convene Tuesday, Jan. 26 and Thursday, Jan. 28 from 7:30 to 9:30 p.m. at the D.G. High School, North Campus.

Registration will be held at the High School Jan. 18, 19 and 20 from 7 to 9 p.m. and registration by mail will be accepted until the time of the first class session; it is advised in the case of classes of limited enrollment. If you register by mail, you will be called ONLY if the class is filled or cancelled due to insufficient enrollment. Otherwise just appear at the first class session.

Director Eugene Regal states that this self supporting evening school is offering 49 non-credit courses this Winter term for the low cost of approximately 75¢ per hour of instruction.

Twenty-nine of these courses will meet on Tuesday evenings and they

are as follows: beginners accounting; American antiques; an introduction to psychology; basic electronics II; basic time study; beginning square dancing; cake decorating; beginners contract bridge (sec. A).

Classes Will Resume

Lewis College will hold spring registration Feb. 1-2 in the Lewis Memorial Library from 9 a.m. to 12 noon and 1:30 to 4:30 p.m. each day. This registration is for pre-registered students as well as returning students and new admissions.

Returning freshmen will register Monday, Feb. 1, from 1:30 to 4:30 p.m. Sophomores will register Tuesday, Feb. 2 from 9 a.m. to 12 noon and juniors and seniors the same day from 1:30 to 4:30 p.m.

Find out what 350 hp feels like

in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

L-W Cagers Top SWS League At Half-Way Mark

BY NORM BEEBE

Lincoln-Way chalked up two more conference victories last week-end to keep its conference record clear at 8-0.

The first win came last Friday against the Vikings of Homewood - Flossmoor, when the Knights slid by them 69-64. The second was a close 63-62 triumph over the Rich East Rockets.

Rich Schroeder paved the way for the Knights Friday night against the Vikings by contributing 21 points, following him was Tom Hamilton with 14, Bill Stanfill with 12 and Howie Grimes with 11.

Tom Clarke took the scoring honors for the Vikings by hitting a very respectable 34 points and grabbing 12 rebounds.

Lincoln-Way started the action when Rich Schroeder hit a 10-foot corner shot. The Knights kept a slim lead thruout the first period which ended with the Knights one point over the Vikings 17-16. Lincoln-Way started to pull ahead in the second period and led 37-24 at intermission.

The Knights held on to their lead in the third period but lost their high scoring guard Bill Stanfill by fouls. At the end of the third period the Knights led the Vikings 49-40. With the loss of Stanfill the Knights found the going rough in the fourth period. Leading by a nine point margin entering the fourth the Vikings put on a full court press and tied the Knights with 7:00 left in the fourth period. Tom Hamilton broke the tie with a 20-foot corner shot. The game ended with Lincoln-Way over Homewood - Flossmoor 69-64.

Saturday's victory for the Knights against the Rich East Rockets was even closer than the previous night's game. Howie Grimes took the scoring honors for the Knights by sinking 20 points. The Knights led thru the entire game except for a one point deficit early in the first period. The Knights battled the Rockets to a 34-27 edge at half time. Lincoln-Way got into trouble in the fourth period and with seven seconds left in the game Keith Schram was awarded two free throws which put the Knights ahead by one point and closed the game with Lincoln-Way ahead 63-62.

These two victorys gave the Knights a perfect eight wins and no losses in conference competition.

Lincoln-Way will be host to Bremen Friday night as the second round of conference play opens.

Ziebart Rustproofing Is Here!

STOP RUST FROM WRECKING YOUR CAR and RUINING YOUR TRADE-IN

Now . . . in this area . . . you can do as leading fleet owners do and keep your car rust-free for years. Here's what Ziebart does:

1. Thoroughly prepares your car—steam cleans if necessary.
2. Forces the exclusive Ziebart Rustproofing Sealant under high pressure into all hidden areas where rust begins.
3. Protects your car for years with one application. On new cars, stops rust before it begins; on older cars, stops rust from spreading.

Not just an undercoating, but a complete rustproofing process. And so inexpensive! Phone or drop in today for an early appointment.

of conference opponents.

Friday night featured a 72-46 deluge over Evergreen Park's Mustangs. A first quarter score of 15-10 in favor of the Eagles indicated a ball game which might prove to be interesting, but when the scoreboard showed a 37-19 advantage at the half these thoughts were shattered. Following the end of the first quarter, Sandburg simply walked away from the stunned Evergreen five, outscoring them by 13 points in both the second and third quarters.

High scorer for the Eagles was guard Doran Harding, who collected 16 in the rout. Bruce Hyink, Drew Corley, and Van Broman each scored 11 in the contest as Roland Roth dropped in 8.

Mustang Glenn Alexander managed to score 14 in what proved to be a lost cause. In Saturday night action, 6'9" center Hyink collected a personal high of 29 points in an 81-44 smash over Oak Lawn. Twenty of these came in the first half of the battle with the Spartans. Corley got 20 in the rout as Broman collected 13.

The Eagles got off to a fast start as the first quarter ended showing a commanding 12 point lead. This advantage grew to a 37 point bulge in the remaining three quarters as the Sandburgites simply dominated the game.

Harding, 5'10" playmaker, tied his own record

of 16-assists set last week against Reavis.

This week-end marks two more home games, Friday night the Rams from Reavis clash with the Eagles and Saturday Morton East will be featured in a non-conference bout.

Swimmers Drop Two

BY PAUL MARTIN

Sandburg swimmers lost two meets last week-end to Hinsdale and Homewood - Flossmoor in which nine pool records were set.

Friday, against Hinsdale, Sandburg lost nine out of 11 events -- Hinsdale winning 61 to 34. The Sandburg frosh-sops also lost, 71 to 24.

Bob Hutchinson set a varsity record for the 100-yard free style event with a time of 5.7. Three frosh-soph records were established, two by Jim Deleige, one in the 150-yard free style and one in the 300-yard free style. C. J. Mehling set a record in the 50-yard butterfly.

Against Homewood - Flossmoor last Saturday Sandburg lost six of 11 events, losing the meet 53 to 42. The Sandburg frosh-sops lost 58 to 37.

Don't just take their word for it

Try a new Gas dryer free for 60 days!

Your friends and neighbors in Northern Illinois prefer gas dryers 3-to-1 over other automatics. But don't just take their word for it. Or ours. Find out for yourself with our free 60-day home trial. Enjoy advantages like these:

Gas Dryers Save Money—Dry big loads for just a penny—save up to \$20 a year compared with other automatic dryers. No costly wiring needed.

Gas Dryers Save Work—No lugging heavy laundry to the line—no weather worries. Less ironing, too!

Gas Dryers Save Time—Handle big or small loads automatically. Save your time for other things.

Gas Dryers Save Clothes—No line-whipping, sun fading—just gentle tumbling action at "just

right" temperatures so clothes come out soft, fluffy.

Visit your Northern Illinois Gas showroom or have one of our sales representatives call on you, and select the dryer you'd like to try for 60 days. No down payment required! (Matching washers also available.) After the 60-day trial, we're sure you'll want to keep the new dryer. You can arrange for low payments with up to 36 months to pay. But if you're not delighted with the dryer after the home trial, we'll pick it up. No obligation, of course. Your nearby appliance dealer also has attractive offers on thrifty gas dryers.
